### Welcome to the Lake! Here's a list of "Nice Things to Know" about us:

1. Choctaw Utilities uses a flat rate billing structure. The water fees are billed quarterly, in arrears. There will be a pro-ration for water charges in the closing statement. The new owner will be charged a quarterly bill for the next billing cycle.

3. Our website has a lot of good information to keep you informed on what's happening with the water company – check it out at [www.choctawwater.com](http://www.choctawwater.com) Let us know what you want to see or ask where to find information on the website.
